4. PLAN REVIEW REQUIRED

Have Plans been submitted? See below for plan review requirements before completing this section. _____ Yes _____ No _____ Not Required

PLANS ARE NOT REQUIRED FOR THE FOLLOWING:

1. One or Two Family dwelling containing not more than 3,500 square feet of building area.
2. Alterations and repair work determined by the plumbing official to be minor in nature.
3. Buildings with a required plumbing fixture count less than 12.
4. Work completed by a government subdivision of state agency costing less than \$15,000.00.

IF WORK BEING PERFORMED IS DESCRIBED ABOVE, ANSWER SECTION 4 (ABOVE) NOT REQUIRED.

PLANS ARE REQUIRED for all other building types and shall be prepared by or under the supervision of and architect or engineer licensed pursuant to 1980 PA 299, as amended, and shall bear that architect's or engineer's seal and signature.

PLANS MUST BE SUBMITTED BEFORE A PERMIT CAN BE ISSUED

5. APPLICANT SIGNATURE

Section 23a of the State Construction Code Act of 1972, 1927 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building of a residential structure. Violators of Section 23a are subjected to civil fines.

Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Homeowner Affidavit below) _____ Date _____

Homeowner affidavit: I hereby certify the plumbing work described on this permit application shall be installed by myself in my home in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Plumbing Code and shall not be enclosed, covered up, of put into operation until it has been inspected and approved by the Plumbing Inspector and I assume the responsibility to arrange for the necessary inspections.

6. EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted.

A permit shall become invalid (expire) if the authorized work is not complete within 180 days after issuance or if the work is suspended or abandoned for a period of 180 days after commencement. A six-month extension may be granted at the cost of \$100.00 if requested in writing prior to permit expiration date. Expired or closed permits cannot be refunded.

PLUMBING PERMIT FEES 01/2025

Please complete the Unit Fee Chart Below for each project. If multiple buildings are proposed, a separate permit for each building will be required. It will be necessary to determine the appropriate base fee, unit itemization fees, and determine the number of inspections required for each building (underground, rough inspection-prior to insulation and wall coverings, additional inspections, final inspection).

Residential projects: New homes, additions, remodeling, alterations, etc. Residential projects will be charged a Base Fee of \$50.00 plus the itemized unit fees below plus number of required inspections.

Commercial projects: New buildings, additions, remodels, alterations, etc. Commercial projects will be charged a Base Fee of \$75.00 plus the itemized unit fees below plus number of required inspections.

Work started without a permit will be assessed an additional special inspection fee of \$200.00 for residential work or \$300.00 for commercial work. This is in addition to the regular permit fee. Closed permits cannot be refunded. Inspections are charged at \$100.00 each.

Please complete the following fixture checklist, list the number of each fixtures/water connected appliances and include the quantity total under #2 below:
